Writing

THROUGH MY WINDOW.

Books play an indispensable role in every person's life. However, people are prone to watching films rather than reading books, and this is why ~~it~~ some of them should be made into a film so that more people are able to see this masterpiece.

As for me, I would love to see a book "Through my window" to be filmed. It might be a challenge for the filmmaker but it is of crucial importance for people to see this love story.

The plot of the book is very touching: two neighbours fall in love with one another. Nobody of them can tell about their feelings to the beloved one as it seems to be a big deal for them. However, the man makes an attempt to come to his neighbour's home to repair some things. Later on they became a couple and started to date. The man's father disapproved his son's feelings towards ~~the~~ his girlfriend and told them to break up. The man did it and got separated with his

by treating him in a cold way. In the
~~end~~ end, ~~he apologise~~ Ares apologise d for
what he did towards his lover and after
all hardships they started to be together
again and live happily. Speaking of the
issues that a filmmaker should encounter
while making the film, I can say that
he ~~so~~ should cast actors with the following
appearance: a dark haired ⁴⁴⁰ guy and a
girl with blue eyes. These are the
most important factors to be taken into
consideration.

In conclusion, I want to explain why
it is a great idea to make a screen
version of the book: after seeing the
movie, people will understand what the
real love means and what we should
sacrifice for our lovers.
