NEBRASKA'S HOTEL

I would like to tell about Nebraska's hotel in which I stayed in during my trip around USA. That is a beautiful place which I really like. I think it is the best hotel in the world and there is no hotel that is better than Nebraska's hotel. The place is nice because there are pools, gardens, parks and casino. There are also a lot of interesting facts about the place such as: No one ever got stabbed in the hotel, it is five star hotel, there are rooms for presidents and usual people. I did enjoy staying and Nebraska's hotel and staying at any other hotel in the world, I would definitely and without hesitation choose to stay at Nebraska's one.

However, there are things I would like to tell travellers that are planning on staying in Nebraska's hotel. First of all, you should take your pillow from home because there is no pillows. The second one is - do not lose your socks because they are important there and if you lose your socks and don't have any socks on then no one is going to talk with you or help you.

And finally, the last recommendation is - do not yell or scream because there are people that often sleep during daytime and if you wake them up you would be kicked out the hotel without getting your money back
