Hello. I am ~~from~~ I want to tell you about why am I learning English?
Actually, I love English very much and in the future I want to travel and broaden my outlook, get life experience. I can understand people from different countries, also I want to be a linguist. English language allows me to be happy because when I am learning this language I feel incredibly fascinating and I think that English is one of the important part of my life.
I like to learn about English culture, English cuisine so I ~~in~~ ^{prefer} like to make new friends from Great Britain, USA, Canada and other countries where people speak English. I like process of studying and I can get a lot of important knowledges.
If you want to learn this language you must know it can be very hard, but if you ~~it~~ can ^{understand} new rules easily then everything will be fine. I want to advice you be confidence and I hope you can learn it. Good luck!
