Last holiday home where I stayed in was in Moscow, It was a huge custom house with a lot of tech things, entertainers, because if you will walk a little you will be in entertainment park, anyway it was ~~very~~ really great place, which have a lot of fruits, pool, bath rooms, bedrooms, a lot food, owners organised a lot funny games as paint ball, water shooting, roller coaster, Inside it had a lot of decorations as arts of famous artists, famous furniture, neon lights, 2 floors and a little rooms under floor on kitchen where was different things with water, gas, oven, and room under ~~stairs~~ stairs, which was a room for lonely people. I liked this place ~~very~~ very much, but celebrated not so long, because we needed to fly away like in 5 hours.

Interesting in this place what there near as I said entertainment park, if you will go on a bus, you can get to centre of Moscow easily. Sadly it's really expensive place to celebrate something, so you need to save money for it, but I think it worth it. One more interesting fact what near of this place a lot of some houses like this, I don't know if good or no, but maybe it's just funny.

What I can say about this place? It's really good and attractive, but you need to understand what it is really a lot and it's good only at good weather.
