The last holiday home I stayed with my parents was hotel whose name is "Azimut". It was really comfortable ~~and~~ to live and use all of communication in this place. A big hall and good personal it's a first important thing that you can see. You know, hotel's room was huge and really stylish. Room service is very nice and your room always stay clean. 72

When you going to stay in this hotel you can take your pet with you and don't be worry about it. Also, you must not smoking but you must to keep silence. The view of this place is opening on river whose name is 'Kontauka', it's cool and beautiful but you would be careful with windows in your room. 130

I can recommend you to take your passport, medications and the most important thing what you need to live and travel. Also, you can buy metro card what can help you arriving. 152

This hotel was the most perfect holiday home what I've ever seen. Honestly, in other travel time I want to stay in another hotel but this one you should to try. It was comfortable and really happy to be here for me. I enjoy and love this place so much, so I recommend it for you. But this travel was very very expensive and luxury.
