In this review I'm going to tell you about „Diamond“ hotel. „Diamond“ hotel - the best hotel in Sochi which built near the seaside, where I stayed in this summer with my family.

The „Diamond“ hotel has 4 floors, on the last floor is a restaurant, where you can order different types of food. From each floor you can see the beautiful Black sea. On the territory of this apartment you can swim in the huge swimming pool or walk in the beautiful garden with the fruit's trees. Moreover, the hotel's territory includes street grill where you can try meat.

There are many advantages of this hotel, but the main disadvantage is amount of money. This is truly expensive to stay in in these appartments, so I would recommend to take pretty much

amount of money before staying here.

The second recommendation for prospective travellers is take an apartment on the third floor. This is because of ~~the~~ the amazing view from the balkony. Definitely you must pay more than for ordinary flats, but you will not be disappointed of the result.

The third and the main recommendation as the first is take warm clothes and learn the rules about staying alive near the dangerous hurricanes. Because when I were here for the first time, I saw the hurricanes. It was freezing and dangerous for people's lives.

In the end of the review I would recommend you to visit Sochi and stay in in the "Diamond" hotel.
