I was visiting Australia on my last holiday and during that time I stayed at the four star hotel called "Belvotto". It is located in the northern part of Sydney, near the beach, pretty beautiful place, I must say. So, when I got there I was ~~g~~ greatly welcomed by the workers. Then I went to my room, where comfortable and cozy white bed, a big TV with console were waiting for me there. The room was very clean, there was no dust, and the atmosphere was fantastic as well as the view from the balcony. I also found some snacks ¹⁰⁰ in the little fridge near the bed. There were also some sweets on the table that were really yummy.

I stayed there for one week and every day in the morning I could go ^{to} the cafeteria and choose what ¹⁴⁰ I like to eat. The food there was very tasty and the variety of it was astonishing. I really liked staying there because it is a great place to ~~stay there~~ live in for the holiday and I recommend everybody to visit this hotel. ¹⁸⁰

However, the price of it is quite big, but it ~~is~~
worth being there. Oh, and of course while being
at this hotel I didn't see any spiders or insects
at all, so don't ~~worry~~ worry if you are scared of
them. This place is great and I recommend
you to stay in hotels such as this one.
