Review of a hotel.

This summer I travelled to Altai Republic with my family. It was an exciting holiday trip that we spent together. We stayed in a hotel, which is called "Riviera", for a week.

The hotel includes some holiday houses, a cafe, a barbecue zone and children's playground. My family and I arrived to the hotel really early and we didn't want to wait for about 4 hours. Nevertheless, the administration of the hotel gave us the keys of our holiday house. We were very thankful for that. The staff of the hotel was very pleased to all people. The territory was ~~incredibly~~ large and marvelous.

We were astonished by the view from our holiday house. An interesting fact that the hotel is located in the mountains. The height is about 1000 metres above the sea.

Moreover, there is a small farm in the territory. So, we were able to see some domestic animals, for example sheep, rabbits, little pigs and so on, and feed them.

If you plan to visit Altai Republic and stay in the hotel "Riviera" I'll recommend you to take warm clothes. The hotel is located in the mountains that's why the nights there are freezing.

To sum up I'd like to say that I would definitely recommend the hotel "Riviera". It is worth to visit.
